TAG Middle East FZC

Ras Al Khaimah Free Zone, Technology Park
RAK, United Arab Emirates

1. General:

TAG Middle East FZC manufactures vehicles that meet or exceed all Federal Motor Vehicle Safety Standards (FMVSS). All parts used and services provided on our armored vehicles are second to none, and our armored car company is committed to using the latest cutting edge technology in every instance. To prepare our vehicles for the most hostile environments and to ensure they meet the highest standards of safety, our vehicles undergo extreme ballistics testing.

2. Summary:

TAG is seeking qualified vendor i.e. (Firms and Companies) who have a solid track experience in provision of material mentioned in RFQ at a competitive price to its facility in Ras Al Khaimah, UAE.

3. Inspection:

TAG shall have reasonable time, after delivery, to inspect the service and goods, and to reject acceptance in not conforming to the specifications of this order and or offer. Recovery of the rejected item (s) shall be the sole responsibility of the supplier.

4. Statement of Work/Specification:

The selected vendor shall supply the requested Material/Tools/Equipment to TAG Middle East, Ras Al Khaimah, UAE. Vendors interested to bid should provide quotation to TAG. *TAG conducts market survey to obtain best value for money.*

5. Evaluation Process:

The proposals will be evaluated in terms of fairness, cost-consciousness, and best value to the TAG considering both technical and cost factors. There may be multiple awards considering the technical compliancy and low price methodology.

The award will be to the responsive and responsible vendor that offers best to TAG. TAG may reject all of the proposals submitted for good cause. TAG may negotiate price or service provided in terms with one or more of the bidders if it feels that negotiations would improve the chances that TAG receives a better quotation.

6. RFQ Conditions:

Administrative Requirements	1. Valid business license under the law of country of residence.
Evaluation Criteria	1. Compliance with technical specification stated in the RFQ. 2. Financial Evaluation based on quoted amounts. 3. Similar experience for supply of requested items/services national and/or international.
